

Kinghelm®

product parameters

Model:	Quick - connect Terminal
Name:	Quick - connect Terminal
Rated Current:	32A
Rated Voltage:	250V/600V
Wiring Range:	0.08~2.5 (4.0)mm ²
Stripping Length:	10mm
Material:	PC PA
Contact Parts:	Steel + Stainless Steel Circlip
Attribute:	Insulation Flame Retardant
Dimensions:	As Shown in the Following Figure
Safety Certification:	CE
Application Scope:	LED Lighting Electronics

Shenzhen Kinghelm Electronics Co., Ltd.
