

Kinghelm®

product parameters

Model: Quick - connect Terminal

Name: Quick - connect Terminal

Rated Current: 32A

Rated Voltage: 250V/600V

Wiring Range: 0.08~2.5 (4.0)mm²

Stripping Length: 10mm

Material: PC PA

Contact Parts: Steel + Stainless Steel Circlip

Attribute: Insulation Flame Retardant

Dimensions: As Shown in the Following Figure

Safety Certification: CE

Application Scope: LED Lighting Electronics

Shenzhen Kinghelm Electronics Co., Ltd.
