

PRODUCT PARAMETERS

Model: Quick Terminal Block
Name: Quick Terminal Block
Rated Current: 32A
Rated Voltage: 250V/600V
Wiring Range: 0.08~2.5(4.0)mm²
Stripping Length: 10mm
Material: PC (Main Body) , PA (Ejector Pin)
Contact: Copper + Stainless Steel Clamp Spring
Properties: Insulation, Flame Retardant
Size: As Shown in the Following Diagram
Safety Certification: CE
Application Range: LED Lighting Electronics
