Kinghelm®

PRODUCT PARAMETERS

Model: Quick Terminal Block

Name: Quick Terminal Block

Rated Current: 32A

Rated Voltage: 250V/600V

Wiring Range: 0.08~2.5(4.0)mm²

Stripping Length: 10mm

Material: PC (Main Body) , PA (Ejector Pin)

Contact: Copper + Stainless Steel Clamp Spring

Properties: Insulation, Flame Retardant

Size: As Shown in the Following Diagram

Safety Certification: CE

Application Range: LED Lighting Electronics
